BLACKBURN HIGH SCHOOL SYMPHONY ORCHESTRA

AUGUST 15 2024

A GRAND EVENING OUT!

Welcome! Blackburn High School Music Department presents the Wallace and Gromit classic, The Wrong Trousers.

This has been a unique and challenging project for the Music Program. Unlike most performances we have undertaken, performing the soundtrack to accompany a film has provided an exciting new dimension to the way we play.

The Wrong Trousers journey began in late 2020, when we first began working with Aardman to bring the combination of film and live music to Blackburn High School. The Orchestra got as far as beginning rehearsals before, sadly the lockdowns of 2021 shelved our plans.

It's now August 2024, and we are ready to dust off our plans and take on this task. It has been worth the wait. This exciting multi media project, has given our Symphony Orchestra an opportunity to emerge. The students hard work, diligence, commitment and enthusiasm for this project has been outstanding.

Behind the scenes, students have been working to prepare the presentation you will see and costumes have been created. If you listen carefully, the music that is played in the background and on the radio in the film has been composed and/or performed by students from the Music Industry Skills class.

All involved have had a wonderful time in bringing The Wrong Trousers to life.

Enjoy the show.
