**PRESENTATION
MORNING 2022**

9:00 am

**Thursday 16th December 2022 Blackburn
High School Gymnasium**

ACKNOWLEDGMENT OF COUNTRY

Wominjeka, we would like to acknowledge, with respect, the countries, the skies, the waterways and the spiritual systems belonging to the Wurundjeri people of the Kulin nations. We acknowledge all Aboriginal and Torres Strait Islander students, staff, families and their elders both past and present and give our thanks for their care of this country.

PRINCIPAL'S WELCOME

Welcome to today's Blackburn High School Presentation Morning, a significant event that recognises and celebrates outstanding student achievement and effort throughout 2022 with members of the school community. The award winners have demonstrated excellence in their academic studies and embodied the School Values of Respect, the Pursuit of Excellence and Citizenship.

We congratulate our students on their participation in a number of sporting and artistic endeavours undertaken by the school this year. As a school, we place a strong emphasis on the holistic development of each student through their involvement in the rich academic, co-curricular and student leadership programs. We acknowledge the contributions of the dedicated professional team of teachers and Education Support staff.

We also acknowledge and thank parents, carers and families who have been active partners in supporting the learning and development of their children.

Thank you to everyone who has encouraged and inspired the students to believe in themselves and realise their potential.

Congratulations to all of today's award winners and to the students in the graduating Year 12 Class of 2022. May they never stop learning and may they continue to grow towards the light.

We wish all members of the Blackburn High School community, and all our guests, a safe and enjoyable holiday break and a wonderful New Year.

Mrs. Joanna Alexander, Principal
