

Parent Payments Year 10 2023

17 November 2022

Dear parent/guardian,

Blackburn High School is looking forward to another great year of teaching and learning and would like to advise you of Blackburn High School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wider range of subjects and enhanced curriculum, wider digital learning opportunities, faster WIFI and internet, upgrade of our facilities and grounds, installation of new bike sheds and locker bays and equipping our new STEM Centre (opening 2023).

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Joanna Alexander, Principal

Geoff Hugo, School Council President
